FARMERS MAY SUBSTITUTE ONIONS  
 FOR GRAIN TO COMPLETE CONTRACTS

In accordance with Article 12, Point 1, of the decree of 23 July 1951 on planned purchases of grain (Dziennik Ustaw Rzeczypospolitej Polskiej, Number 39, Item 297), the Council of Ministers issued the following directive on 5 September 1951:

Paragraph 1, Point 1. In the regions which specialize in farm produce not included in the state-purchasing grain plan, agencies delegated to make purchases, besides accepting produce mentioned in the directive of the Council of Ministers dated 8 August 1951 (Dziennik Ustaw Rzeczypospolitej Polskiej, Number 42, Item 322), may accept onions in lieu of rye, wheat, barley, and oats.

Point 2. The President of the Centralny Urząd Skupu i Kontraktacji (Central Board of Purchasing and Contracting) on the recommendation of the presidium of the respective Wojewodztwo National Council will determine the areas and the farmsteads which may deliver onions in place of other farm produce, and will specify the variety and quality.

Paragraph 2. The following equivalents have been established:

Point 1. One hundred kilograms of onions may be substituted for 110 kilograms of grain, when the onions are delivered by farms covered by contract agreements.

Point 2. One hundred kilograms of onions may be substituted for 35 kilograms of grain, when the onions are delivered by farms not covered by contract agreements.

Paragraph 3. The equivalent mentioned in Paragraph 2, Point 1, applies to onions delivered in excess of the quantity stipulated in the contract agreement.

Paragraph 4. The directive becomes effective on the day of its publication.
